

13.12.245 Building sewers - Owner and occupant responsibility for cost of installation and connection

13.12.245 – Building sewers - Owner and occupant responsibility for cost of installation and connection

All costs and expense incidental to the installation and connection of the building sewers shall be borne by the owner and occupant jointly and severally. The owner shall indemnify and hold the City harmless from any liability or loss including reasonable attorney's fees arising out of or in connection with the installation of the sewer for a building, except, to the extent prohibited by law.
